

REMARKS

The Sequence Listing that is part of the International Application National Stage being filed concurrently herewith is incomplete. In the specification of the application, reference is made by SEQ ID NO to 191 different sequences. The substitute written (paper) Sequence Listing provided herewith lists all of those sequences, as is required. All of the added sequences are disclosed in the original specification; no new matter has been added. In a separate communication being submitted concurrently herewith, Applicants have provided a computer readable form of the enclosed paper version of the Sequence Listing. Entry of the new Sequence Listing is respectfully requested.

The Commissioner hereby authorized to charge any fee which may be due in connection with this communication to Deposit Account No. 23-1703.
